Hay Day Cheats 3.0 If you want to know more about the idea of farming in Hay Day, then it is very important to know that all farms have four main structures. Hay Day cheats tool 3.0. The top structure is the farmhouse. You can add new rooms in the farmhouse to unlock new activities. These can be animals, crops, tools or anything. The second structure is the greenhouse. You can get new things in the greenhouse. You can get items from outside of the game and give them to your animals to help them. This includes resources and blocks that you can use to create resources and blocks in the game. The third structure is the barn. You can unlock new activities by adding new rooms to the barn. The bottom structure is the farm fields. You can start the game with unlimited crops. You can also buy the ability to add new crops with diamonds. This means that when you buy a crop from the store you are going to have more options. The top option is to add food to animals. The next option is to add water to the animals. The next option is to add fertilizer to the plants. You can also buy fertilizer with the diamonds. If you know a little about gardening then you can add seeds to the farm fields. They give you options of what crop you can grow. Hay Day Cheats v2.0 Activation Keys – Free – Add Unlimited Diamonds and Coins.
